

NOBODY Operation Proposal

Proposal ID: P1

Proposal Status: Approved

Proposal Name: Proposal Ruleset Proposal

Proposed By: 7411

Proposal Explanation

This proposal aims to apply a ruleset to all future proposals. The ruleset would be:

1. Proposals can only be proposed by personnel working for NOBODY.
2. Further Proposals aiming to change or update the Proposal ruleset need to refer back to this Proposal.
3. Proposals need to follow the template set in P0.
4. Proposals can only be approved by 7411.
5. Proposals breaking the rulesets of previously approved Proposals are not allowed and can not be approved.

Proposal Justification [IF APPROVED]

Proposal was approved by 7411 under the justification:

A clear ruleset helps the management of future Proposals, and the general operation of NOBODY.
